

THE SETTEMBRINI VOCATIONAL SCHOOL

This is our school, by Rainy and Vincent

WHAT IS IT?

- ❖ This vocational school tries to help the students to learn a profession.
- ❖ Its main feature are the practical subjects

DURATION

- ❖ It is divided into two parts: 3 years for the qualification and 2 more years for the diploma.
- ❖ We can leave the school at the end of the three years with a professional qualification.
- ❖ If we get the five-year diploma we can enter University (if we like).

Weekly timetable

- ❖ Every week we get 36 hours of tuition.
- ❖ Half of them take place in practical laboratories.
